

**NEIGHBORHOOD HEALTH ASSOCIATION EVENT SPACE**

Toledo, Ohio  
2016

[www.duketarchitects.com](http://www.duketarchitects.com)

This former gallery will be renovated into a multipurpose space for the Neighborhood Health Association to be used as an open office, conference, and event space. The new scheme for this first floor space includes two conference rooms, a kitchen and bar, open lounge areas, and a new design for the emergency exit vestibule. Brightly colored bulkheads or "skies" hang over the conference rooms giving a bold entry into the spaces.
