

OSU ART SCULPTURE

Columbus, Ohio
2014

www.duketarchitects.com

Paramedia LLC (Erwin Redl) was commissioned by The Ohio State University for the installation of exterior artwork titled "Shelter". The project site for the installation lies within the boundaries of the Chadwick Arboretum Lane Gardens near the southwest corner of West Lane Avenue and Olentangy River Road in Columbus, Ohio. Duket Architects Planners worked with the Artist to provide design of the foundation work for the artist.
